August 4, 2020

Dear ALC Parents/Guardians,

We are excited to start school on Wednesday, August 12! We will be distance learning until we get approval from the Governor's Office to open for our on-campus learners, but our teachers are back on campus this week preparing for another successful school year.

You may remember that we previously sent out a survey asking whether your student would be needing to borrow a technology device for distance learning. If you answered YES, we have reserved a device for you. If you did not answer the survey, or your situation has changed, and your student will need to check out a device, please call the school as soon as possible so that we can make sure that we are prepared for everyone. **We will only be distributing devices to students who have reserved them.**

Technology pickup will take place on Tuesday, August 11<sup>th</sup>, from 9-2. Please see the schedule below for the time your student has been allotted for pick up. Also please make sure to wear a face covering and follow social distancing guidelines when you come on campus.

Expect further communication before the start of school with instructions for distance learning.

Thank you for your continued support.

Technology Pick-Up Schedule	
Last name	Time
A-C	9-9:30
D-F	9:30-10
G-I	10-10:30
J-K	10:30-11
