Dear ALC Parents/Guardians,

School starts next week, Wednesday, August 12! Our staff has been working hard to prepare for this unique school year and we are excited to begin interacting with students!

We will begin Distance Learning on Wednesday, August 12. However, while we are Distance Learning we will offer in-person and video, one-on-one tutoring starting Monday, August 17. Students will have the opportunity to **schedule** tutoring with their teachers Monday, Tuesday, Thursday, Friday from 2:30pm – 3:30pm and all-day Wednesday. **These sessions are by appointment only.**

During Distance Learning, students will have the opportunity to join live online videos of instruction daily or watch the recorded videos on their own time. For AM students, live online classes will be offered at 8am and 10am. For PM students, live online classes will be offered at 10AM and 12:30PM. This schedule will make it possible to have tutoring hours available daily. You will receive another email next week with further instructions regarding our Distance Learning Plan.

We will continue to monitor the situation weekly. We want to offer in-person learning as soon as permitted to do so safely. Please continue to check your emails for updates. As always, it is our goal to ensure our students' success!

We are making a slight change concerning technology **and supply** pick-up to ensure that all supplies are prepared. **Technology and supply pick-up has been moved to Wednesday, August 12.** Students will come to school during their designated time and pick up their supplies and technology (technology is only for those students who have requested it). Please see the schedule below for the time your student has been allotted for pick up. Also, please make sure to wear a face covering and follow social distancing guidelines when you come on campus.

Thank you for your continued support.
